

At Habitat, we are working to put God's love into action by bringing people together to build homes, communities, and hope. Here you can be part of a team that works to give our limited-income neighbors a hand up through homeownership.

Habitat for Humanity of Hall County welcomes community service workers (CSW) from the judicial system. For appropriate placement within our organization, HFH Hall County reserves the right to know the offense related to court ordered community service. We require community service workers to report with their official charge and a current/valid state-issued photo ID. We are unable to accept community service workers with charges that are related to theft, violence, or sexual in nature. We have the right to refuse additional unacceptable charges. Community service work can only be served in the ReStore on Wednesdays, Fridays, and Saturdays. It is the community service worker's responsibility to maintain an accurate time count by clocking in and out on the time clock kiosk.

Requirements:

- Copy of Official Charge
- Photo ID

Wednesdays, Fridays, and Saturdays

10:00 am - 6:00 pm
Habitat ReStore
2380 Murphy Boulevard,
Gainesville, GA 30504

To get started:

Go to habitathall.volunteerhub.com and create an account. For type of volunteer, select **"I need court-ordered community service hours"**.

Once your account is created, your account will be pending and will need to be approved. Please email family@habitathallcounty.org that you have created your account.

Once approved, you can begin serving your hours in the ReStore.
